Hi All,

Please join us next Tuesday July 12th, 12pm, at LA Trade Tech, 400 W. Washington Blvd. for the Figueroa Corridor Board Meeting. It is imperative that you all join us and be on time, as we have major decisions that must be made this month on the the BID renewal. It is important that you come every month, but this month is even more so. We must have a quorum to move ahead on the BID renewal, and we must move ahead on the renewal in order to make city and county deadlines.

Please make sure to RSVP. See attached agenda, minutes, and parking information. The meeting is being held in the same room as last month at LA Trade Tech and parking is the same. You must have attached permit in car window with current date for parking garage.

Thanks,
Katie
